

THE MINI CLUBMAN.

With its roomy interior, crafted from top-quality materials, the MINI Clubman is the most charming and sophisticated MINI we've ever made. If that's not enough, its split rear doors and available ALL4 all-wheel drive put it in a class of its own.

SPLIT REAR DOORS.

Rear loading is easy with wide-open access to up to 47.9 cubic feet of cargo space.

SOPHISTICATED INTERIOR.

The Clubman's premium not pretentious cabin sets a new standard with top-shelf finishes and MINI Yours Lounge Leather Upholstery.

SPACIOUS PREMIUM DESIGN.

Six doors, comfortable seating for five, top-shelf finishes and plenty of cargo space make for refined versatility.

COMFORT ACCESS AND SMART OPENER REAR DOORS.

With your key fob on you, unlock and start your MINI or even open the motion-activated Split Rear Doors with a wave of your foot.
